

CITB HSA eCourse (Health & Safety Awareness)

SAFE

Safety Association of Federated Employers

The CITB HSA eCourse is an eLearning version of the CITB Health & Safety Awareness course.

This course can be taken as a step towards qualification for a Green Labourer CSCS Labourer Card. The HS&E test. (Touch Screen Test) is also required.

The online course can be completed before or after the CITB Health, Safety and Environment Test. The Health Safety and Environmental HS&E test (touch screen) CANNOT be undertaken online.

Undertake the CITB eHSA course online at any time 24/7. The CITB HSA eCourse is an ideal course for those who do not want to attend the course in a classroom. The eHSA is hosted by CITB completely online. By attending the online course, this removes the cost and time expense of travelling to an external course along with removing the need to be in close proximity to others.

Who should attend the CITB HSA eCourse?

Delegates who require the CSCS Green Labourer Card should attend this course.

How long is the CITB HSA eCourse?

It will take approximately four hours to complete the course. The course can be completed in one go or over a period of days or weeks. Return to the course as many times as preferred, it will remember and track progress. The licence is available for 12-months to complete the course over this period.

Is the CITB HSA eCourse accredited?

The course is accredited by CITB Site Safety Plus. SAFE are an authorised CITB eCourse reseller.

When does the CITB HSA eCourse certificate expire?

The certificate for this course is valid for five years. It must be completed again to renew the qualification.

Entry Requirements

Delegates must be able to read, write and understand English well to attend the course. Must have access to a computer, laptop or tablet that uses a microphone and webcam and has access to the internet.

Is this course CITB Grant claimable?

Companies who are CITB registered can claim **£30** for each delegate who completes this course. For the grant to be claimed the company name and CITB levy number must be included on the delegates information form which is completed before or on the first day of the course.

Course Delivery

On completion of your booking, SAFE will send a voucher to redeem and access the course on CITB's online portal. Once logged in, the delegate can then work through the course units. The cost includes access to a digital copy of the coursebook for the delegate. To complete the interactive course, a reliable internet connection and a desktop computer, laptop or standard-sized tablet is required. (eCourses are not supported on mobile handsets).

Course Completion / Exam

On completion of the course, the delegate needs to book an exam through CITB's eLearning portal. Pearson Vue (the exam invigilators) will provide an exam slot option between 8 am and 5 pm, Monday -Friday. The final exam is completed online by a laptop or computer with a webcam.

There is a £21 fee if the delegate needs to retake the exam.

Applying for a Green CSCS Labourer Card

To apply for a CSCS Green Labourer Card delegates need to have passed this course as well as passing the CITB Health and Safety and Environment (HS&E) touch screen test. These can be done in either order, but we recommend doing the training course first as this will act as revision for the touch screen test.

The eHSA course costs **£99 + vat (£69 + vat for levy payers once grant paid by CITB)**.
